

# WELCOME

RESPECT. INTEGRITY. SERVICE. EXCELLENCE.

We are pleased that you are considering enrolling your child in Williston Central Christian Academy. Unquestionably, selecting a school is one of the most important decisions parents must make on behalf of their child. The responsibility of providing a solid foundation necessary to establish a lifelong love of learning, growing and developing healthy relationships is certainly critical in each parent's quest for their child to become a successful young man or young woman. Add to that responsibility the desire to see them grow in their knowledge and love of our Lord Jesus Christ and that makes this decision all the more important.

The good news is you don't have to do this by yourself. Williston Central Christian Academy operates to glorify God by assisting parents who desire a biblical philosophy in the education of their children. At WCCA, Christian principles are embedded throughout our curriculum with the goal to have the God of the Bible and His Word at the center of the educational process. We make available to each of our school families a caring, competent, and committed faculty and staff whose purpose is to partner with you in helping your son or daughter to learn the essential things necessary to grow as a whole person and to discover the purpose for which God created him or her. Within this context, the curriculum is designed to provide students a solid and challenging academic foundation, along with a Christ-centered environment where they are loved, nurtured and encouraged to reach greater heights.

The mission statement of WCCA reflects our support of the home. That mission is to assist parents in equipping their children to embrace truth, strive for academic excellence and model Christian behavior and leadership in order to dynamically impact their home, community, and culture for Christ. Respect for authority, love for country, and the desire to do things in an orderly manner (school uniforms are required), are other areas that are part of our daily teaching at WCCA.

It is an awesome responsibility from God to be entrusted with the lives of young people. We take this challenge very seriously and pray that each day concludes with WCCA's administration and staff having given their best toward the goal to "train up a child in the way that he should go..." (Proverbs 22:6).

We invite you to visit WCCA and get to know us better. Thank you for your time, interest, and prayerful consideration.
